Student ID: 679266523

Institution: University of Illinois at Chicago

Computer Science

Test Date: 3/31/2026

OVERALL SCALED SCORE

ABOUT THIS REPORT

- The Major Field Tests are designed to assist institutions in gathering evidence of student learning. The student data provide an opportunity evaluate and improve their program's curricula and instruction. The content of each test is informed by surveying academic programs at co universities throughout the United States. For more information about your test scores visit www.ets.org/mft/scores.
- The percentile rank and the average score range in this report are based on the performance of all test takers who tested in the United States September 2015 and June 2025. The percentile rank indicates the percentage of test takers whose performance is lower than the reported average score range illustrates the middle 50 percent of the test takers.
- Subscores, when provided, represent your performance on key content areas of your discipline.
- For more information about the Major Field Tests visit www.ets.org/mft.
